April WEDNESDAY 16 1919

rained hard all day around the house in forenoon I took the Panell down to John Stevenson to get built over in the afternoon sit home in the evening Willie Cockrill here

April THURSDAY 17 1919

dark and cloudy I went down to John Stevenson for a while in the forenoon we brought up the Panell in the afternoon and fitted it in the evening John helped me about an hour around home in the evening Willie went to Kingston on the stage this morning
