Tuesday 16th Stormy

We sent cattle out to collie to short course today. Proff Day said some very kind things about our work

Wednesday 17th Fair

In morning I went to town Tom chored and I went to see the Carcasses in afternoon. The lambs were quite a surprise to many of us it was quite a mix up. What we put out as too fat came 1st and what we turned down for being too thin came 2nd. Father seems much worse he looks as though he might not last very long.
