

Thursday Aug 18, 1921.

As it rained heavily last night the roads were soft and Roy and I delivered mail with the two Gips. Mr English fixed plows and double-trees.

When I was on the Club part of the mail route I took the barbed wire that was left at Charlie Giles and after I came home John and I strung it on the rail fence near Phil's House. Mabel and Roy went to a social at Earl Crawford's.

The greater part of the day was fine and the roads are drying fast.

Friday Aug 19, 1921.

Roy delivered mail with the Auto. and in the evening we all went over to the Balloon Farm.

The day was fine but became a little cloudy in the evening.

Saturday Aug 20, 1921

Mabel delivered mail and Roy studied French.

Mr English and Ed plowed.

It rained a little in the
