MON. MAR. 14, 1898

Wea.

W. G. was up first this morning and made a fire. I then rose and made the breakfast. Williams foot is not as sore as we suppose it would be. he is away to the work again today but he can't wear a boot as the cut will be sore for a good while. I finished Mothers dress cap.

Ther.

TUESDAY 15

Wea.

I got up this morning and made the fire. I then got washed and attended to the bread. we then had breakfast. I baked bread and buns in forenoon and in afternoon. Mrs A. B. Henderson. Phemia and I went to Gas Marshall's
