

May

THURSDAY 7

1874

Plowing all day at the
township ground, turned over
about $1\frac{1}{4}$ acres. Had the
other team rolling the fall
wheat. Spent evening in
Prampton in Dr Moore's
office at a committee
meeting about the concert
on 25th inst. {This is yesterday's
programme of transactions}
Sowed 16 bush barley on 8 acres.

FRIDAY 8

An exceedingly warm day
Was plowing and in the
field immediately behind the
barns. Sowed grass seed
in the following quantities on
the barley field. Clover 1 bush
timothy bush & orchard grass
bush. put the roller
over the field after sowing it. Spent
evening at Edmonton Lodge. 5 were
initiated.

May,

SATURDAY 9

1874

At the same work as yester-
day, very heavy plowing, the
ground is getting so dry and
hard. Killed and dressed a
calf for veal, sold a fore quarter
to W. Armstrong 18 lbs @ 5¢
and hind quarter to W. Campbell
@ 8¢. 20 lbs. Had a team
rolling the timothy meadow
and picking off the stones at
the same time.
