

May, 1931.

12 Tuesday. Cloudy & showery.
Mr. Peter S. Martin of Hawkesville
was here for dinner. Allen Wagner
came for the calf he brought from Walter
and Joe Hall got some cedar poles.
Ella cleaned the pantry.

13 Wednesday. Changeable.
Ella did the washing & ironing. This
forenoon the men were making fence in
the orchard. This p.m. Vernon was
cultivating and Walter sowed barley.
Irwin Schneider was our caller.

14 Thursday. Clear and windy.
Walter finished sowing grain this
morning and Vernon was cultivating
the root ground. Ella cleaned the
cellar. Mrs. Esch visited Walter tonight.

15 Friday. Warm and windy. ^{clouds.}
Walter was rolling & Vernon cultivated.
Ella cleaned her bedroom. Vernon dug
the small bed and Ella planted phlox, godetia,
mignonette, dianthus, phothucas, carrots, beets & eschollia.
Vernon went to the League Social at Wilfong; at Dorn.
John Stange spent the evening with Walter.
