Aug 28th. Finished drawing in oats 14 loads off 14 acre field.  
Went to Flower Show at Paris in the Evening.

.. 31st. Left for the West, taking a Home-Seapers Excursion ticket to Calgary via G.T.R. through Cobalt & Cochrane to Winnipeg and to Calgary by way of Edmonton. Can. National R.

Arrived in Winnipeg after dinner and went to see Howell's for a few days, before going on by C.P.R. to Bossvain to visit at Uncle Will's Aunt Belle's took several trips out in the country with him as he went on his rounds as Veterinary Surgeon then spent a few weeks, working out in the country at Mr Henderson's, who had a large farm, it rained a lot while there, but I learned a lot about the Western black soil and their methods of doing things.

On the way back to Winnipeg I spent a few days at Uncle Richard's in Pilot Mound. After returning to Winnipeg, took the train for Calgary, via Edmonton, spending a night there at a hotel.

Uncle Jack Archibald met me in Calgary and spent a fine week there with Aunt Bella & the boys. Took the C.P.R. train early one morning and spent a day at Banff, visiting the museum, Cave & Basin as well as the hot-springs, and climbed sulphur Mt. and ate my lunch up there, before coming down for a bath at the hot-springs.
