

1881

Sept 16 I heard the Rev Mr Iye preach his morning Mr Ross preached at night

- 17 Ad and Norris helped Bruce to stack his hay five days
- 18 Ad and Norris drew in the most of hay and Fall wheat
they took 1 load to Ad stable and 5 in the old Barn
- 19 Ad and Norris finished the drawing in of the stuff and
the raking of the fall wheat ground & then they
drew a load of rails & fixed up the road fence
- 20 ~~Ad & Wallace~~ went to Kinston in Steuwer's Steamboat this morning
Norris drew Stones to under pin Ad stable
- 21 Ad and Norris went to help Bruce to draw in
Barley it began to rain about 10 o'clock and stopped
then Norris & me cleaned up the Fall wheat that
was in the granary & sawed of the spring
- 22 Norris & me cleaned the rest of the wheat and put
it in bags we had 12 bags one was fall wheat for to crack
- 23 16 Mr Ross preached this morning
- 24 Norris drew some gravel to Ad's Barn rain this
morning Ad went to the outlet for Watt at noon
- 25 Ad began to cut three aats near of the house
after cutting to the north field and cut the white oats
- 26 Ad and Norris drew 3 loads of the oats near of
the house fine driving time
- 27 they drew in 3 loads more of them Bruce and
his Boys helped them they drew 2 loads from the
North field they were too green so they left them
out till dry more Norris hoaked some peas
- 28 Mr McFadden come with his binder he cut the
wheat near of the house before dinner he cut
the wheat and Flax behind the Barn it is good
- 29 Ad and Norris drew in 3 loads of oats from the north
field they were in good order
- 30 Mr Ross preached at night Dr Stylesworth son
was buried at the Ebenezer Church this afternoon
the Rev Mr Iye preached the sermon in the English
Church here it was filled up every seat & some standing
- 31 heavy rain last night Norris cut and split some wood
in the forenoon Ad and him hoaked Peas in the afternoon

Ad took
the grain
to Escholtz
at night
there was 12
bags
