

Saints when she came back and
stayed, to supper and, stayed, the
evening till after nine John came
for her she dressed up a doll baby
out of the little sofa pillow and she
said it was a pretty good make for
green horns. Len & Tommy came to
see George but Pa had paid him of
fretia & I was up to the barn to see the
calf

I went over to fretia in the afternoon & Mrs
& Pa went to Quill & I stayed with
her the afternoon John brought the revolver
to the house & fretia & he & I shot at a mark

Friday I have looked for her all the
afternoon but she did not come I do
not know the reason for she intended
to come to help me bake a cake but I had
to bake it myself
