

The boys got ~~the~~  
ploughing in the  
big field North East  
Corner to day. I  
spent the forenoon  
in ditching in the  
same field. I went  
down to Jarvis at  
Lee repairs for drill  
and a barrel of su-  
gar which Reid ordered  
for us. The weather  
has been very dis-  
agreeable, and cold.  
Snow has been fall-  
ing this afternoon  
in small quantities.  
Called at Holcomb  
on the way home &  
made enquiries about  
the folks below. They  
expect my friends N.C.  
are at Le. St. soon.

My men have been  
ploughing in the  
North East Corner field  
again to day. This  
morning however be-  
fore the snow dis-  
appeared for ~~and~~  
moved a big stump  
from the line to the  
line fence where I  
intend to put in a  
lot of stumps. I  
went down to Hattie's  
to see Hilliard see  
some matters of business.  
Have been making  
a stump boat this  
afternoon, &c.  
The cold weather  
still continues, but  
the past has been  
a most beautiful  
day though cool  
and windy.
