

John and the milk to the factory.
I have written a letter to
Lucretia and Nellie Hart.

Jan. 4.

Wednesday 4.

Cold. We washed and Melba
did part of the ironing. Harry
came down (and surprised
us tonight) and is going to stay
all night.

Jan. 5.

Thursday 5.

Some warmer. Melba finished
the ironing. Harry took John
Melba and I to his Father's
home to night and we had an
nice time. They had their
carpenters there. Harry helped
dad put some new planks
in the cow stable. Harry took
Melba and I to Aylmer.

Friday 6.

Nice day. Harry took the car
keys home with him. John
and Melba went to London and
took Mrs. Williams with them.
