THURS. APRIL 7, 1898

Wea.

I got up and made the fire the boys went off to School, after I had made the house tidy I went to the ironing as I have a good deal to iron. This is the last day of School for a week as it is the Easter holidays it is beautiful weather again

FRIDAY 8

Wea.

I rose and made the fire, I then attended to the bread, as this is bake day. I baked the bread in forenoon, and after dinner I trimmed the raspberries and it was quite a hard job too I got them all done
