168 DAYS PAST

Monday

198 TO COME

Mistaken Diagnosis. No. 4.

10. Acute gastritis and gastralgia usually mean appendicitis, gall stones or peptic ulcer.

11. Pus in or near the liver is often mistaken for serous or purulent pleurisy, for it produces identical signs in the right chest posteriorly.

12. An x-ray of the shin-bones may give the first hint of an active syphilitic process in the joints or internal viscera.—  
Cabot; Journ. Am. Med. Assoc.

I washed. To night I washed  
I went to the chatuagua,  
aunt Bell was here on her  
way to Aylmer & brought  
some eggs for me to  
set. Girls went to school  
I was over to Mrs Lobes  
this morning to use their  
phone
