

Saturday, March 14

- July 3rd. Went to the bush to stretch and put up some wire fence.
 Finished sowing swede and white turnips in the young orchard
- 4th. Repaired fence around 3 acre field and started to cut Lucerne
 Clover. Edith and I went over to Mr & Mrs Youngs for tea.
- 5th Cultivated mangels and the garden also sowed buckwheat
 on hill in field next Dalgells barn.
- 8th A heavy rain last night, went to Paris to Church in the morning
 and to Kitchens S.S. in the afternoon, they having just reorganised.
9. Worked on the roads in the forenoon and we had rain
 in the afternoon, turning very heavy at night, which in
 some places was a bad hail storm.
10. Went to St. George in morning and brought home cut of Sages & S.S.
11. Finished doing roadwork in the forenoon.
12. Sold old sow 420 lbs @ 134 per lb. Went to the bush in afternoon
 to help Mrs Combe put up wire fence.
13. Katie & Gordon and Andrew came for tea.
14. Whitewashed young cattle stable with sprayer
 Bert and Harry M. came for a little visit.
 This has been such a wet week that the hay in coils is
 getting white with mould.
16. Finished cultivating corn second time & mangels 3rd time.
 Started to draw in hay & loads.
17. Went to town to get 75 boxes of strawberry from Millers
 Dr Buglass and boys came from Hamilton a very wet day.
19. Clarence and Annie Lee also Rosiland and Isa Sharp came
 in the afternoon. Clarence helped with hay and we finished
 drawing in Lucerne off North hill. 8 loads.
