

18 Saturday our John was taken sick and Gretia and John was over to see how he was Gretia and John was a going home and I went as far as the gate

19 Sunday I and Gretia was down south after hirting reens and water cresses then when we came back I took her home and she got ready and John and I took her up to Gillars then we came back and John came and put my horse out but he would not stay to dinner. he came over in the evening and I was a playing with my calf

20 Monday I was home all day Ma was taken sick in the night

21 Tuesday Pa called me about four and I went for the doctor

22 Wednesday Gretia and I was to town
