

This morning being Dominion Day
Dick went down town to celebrate
and did not get back home till about
10 p. m.

Bill, Daddy and I went out and coaxed
all the hay there was cut. Then we
hauling in what was in the plum orchard
and on the lawn in front of the house.
In the afternoon Bill and I went
down town to see the "doings". Bill
was going to see his father-in-law to
see what he could let us have some
sheep for. I had a letter from John
Miller Esq. and he said he would
let me have them for \$20 a piece.
but we thought if we could get some
any cheaper it would be better to
grade up.

Isaac Stager and Francis Thompson
and Skinning Rippe down town. It
was very hot. I went home at six

o'clock after seeing the usual races,
water sports and steeple chase which
Billy Cooper won again this year.

When I was going down at noon
I went in to tell Frank Nye that his
heifer had a calf and found him
suffering severely from scabica but
he is better to night.

After tea Daddy, Cuah and I went down
to the Park and watched the dancers and
fire works till about 10 o'clock and
then went home to bed.
