

February

MONDAY, 22

(53-313)

1904

The regular blizzard from north today with snow. Must have blown up the railroads again.

Shovelled  $3\frac{1}{2}$  ft. snow off evaporator house.

Cut 11 sticks today.

Not cold today about  $20^{\circ}$  all afternoon.

Tried to manage mild weather, but can't do it.

TUESDAY, 23

(54-312)

15 below zero

Mail trains blocked again.

WEDNESDAY, 24

(55-311)

10 below zero. Load of spiles to town
