APRIL SUNDAY 29 (119-246) 1923

Fine day around home in the forenoon Gerald and Mrs Cockrill came up in afternoon to Odd fellows service Mamie and I and the kids went down to Morton to Bellas. came back by Ossies stopped there for a while home for supper we went down to Teddie Curtis for a while in the evening

MONDAY 30 (120-245)

Fine but some cooler. I got the webb. Engine over and fixed up and Mamie and I did a big washing. I went up to Gray lot and took the old wire off the fence in front of Albert Leadbeaters in the afternoon it rained a little I helped Geo. Hulbert to sort the mail after supper and cut up the telephone pole into fence Post ober is office the balance of evening

MAY TUESDAY 1 (121-244) 1923

lovely day. I went up to the Gray lot and finished taking off the old wire and rolled it all up in the forenoon. Tommy Gray and I measured of the road. after dinner and I dug post holes balance of afternoon. George Hulbert drew the mail on R.R. No 1. for the first today I was over to Jim Simpsons stole for a while tonight.

WEDNESDAY 2 (122-243)

Fine warm day I finished digging the post holes along the road next to Leadbeaters and set the posts in the forenoon I got seven Posts from Alfred Kenny and paid him $2.40 for same. Tommy Gray and I put in some braces and dug some holes down across the Garden in the afternoon. I cleaned up some of the garden and burnt up some trash In the evening sat up until late watching the fire. very tired tonight
