Tuesday

More rain last night cloudy A.M. sunny and cloudy in P.M. with rain and hail storms. We made rest of bank wire temporary fence up rape to Garden St in A.M. in P.M. we got in 5 loads mangols.

10

Wednesday

Frost last night sunny in morning clouded over started to snow about 10 o'clock snowed all day ground all covered. cold at night. We got in 3 loads mangols in A.M. and I finished staking wire fence up rape land. In P.M. we cleaned stable, henhouse etc.

11

Thursday

Cold windy day snow deep on ground cloudy, thawing a little. We made door in other barn shed to let in cattle. Willie brought up load coal from J. J. H. mfg., I dug out blacked tile in shed drain and opened outlet on S. S. We went down at night to help move stone but they had it moved before we helped.
