

Ther.

MON. AUG. 1, 1898

Wea.

We rose this morning and found it very cloudy. I did some sewing for myself, in forenoon, and after dinner we went to Roberts and spent the afternoon. It is looking like rain.

I got my sewing done

Ther.

TUESDAY 2

Wea.

I rose and made a fire and put on the wash water, Mary and I did the washing in the forenoon, and after dinner I glazed and trimmed a hat, Mary went to visit at Hobbs for visit. James was up in evening
