I got up and made the fire, we then had breakfast. The boys are off to school. I am busy at my patch work. Allie Nicholl and Francis McBlure came to see us in the afternoon and stayed for tea, and then went to Georges for the rest of the evening. Robert came and ^{to help} took them.

TUESDAY, FEB. 1

Wea.

This is a terrible stormy day there is a regular hurricane, the boys did not get to school, I cut out a coat for Lencie for school, and fitted it on. The storm kept up all day, it has been wild.
