

June 12<sup>th</sup>. Finished spraying  
at noon took 22 tanks  
3½ Gals Lime Sulphur to the  
tank and 5½ lbs Lead, Powder  
Cultivating Tomatoes this  
afternoon first I have done  
for years.

June 13<sup>th</sup>. Cultivating carrots hand  
Cultivator + 3 horses cultivating  
Tomatoes + strawberries

June 14<sup>th</sup>. Finished carrots arms nearly  
broken. Men hoeing + Cultivating  
only have two men this week  
one left last Saturday.

June 15<sup>th</sup>. Hoing Cabbages, sowed  
Gats + Clover in orchard

June 16<sup>th</sup>. Hoed Cauliflowers +  
Cabbages, and put 500 lbs  
5-10-5 Fertilizer on Tomatoes.

June 17 Sunday Fine + warm  
had Mr + Mrs B + Dean out.

June 18<sup>th</sup> Planted Cucumbers and  
a few Pumpkins + squash.

Started weeding Carrots  
June 19<sup>th</sup> Weeding Carrots - and  
mowed some Clover Hay.  
had a light shower will  
do the strawberries a lot of  
good. they are getting pretty  
dry -

June 20. Very warm fixing up  
houses for berry pickers

June 21 Motored to Mundy Reservoir  
the other side of London -  
about 105 there got lost  
coming home drove 235 mi  
all. got about 15 pickers  
very warm up there  
had a light shower here

June 22<sup>nd</sup> Picked first strawberries  
48 crates sold 11 @ 25¢  
shipped 25 north at 20¢
