

1885

- May 1 Ad and the Boy is fixing up fences and other chores
2 Ad drew 3 loads of soil from the gravel pit to the
garden mouth of the burnt heap so as to bring the ground
up level with the garden
- 3 Ad attended the Sabbath School I have a severe cold
Mr Ross a student light showers of rain and snow most of the day
came on the express train my cold is no better very little out of doors
Ad is drawing dung to the garden from Mathews
home afternoon Ad pulled out him & took his horse he brought it had 5 loads
- 4 Ad started to plow in the North field North East part
it began to rain a little before noon rained all the afternoon
I planted 1000 2 year old woman of wheat and 3 of peas cold damp day
in the garden Ad worked at home I did a little at the milk wagon
in the yard Ad drew rails from the road where the wine fence
mouth of the cedar fence is made to finish the middle in the center field
from the front of the house and we fixed the banking about the house
and leveled it all round the front door
- 10 Mr Ross a student preached a night I heard him with
11 Ad drew straw and hay from here home to day morning
12 Ad helped me to put the reacles and rear head back
on the milk wagon
- 13 Ad cultivated 4 ridges in the garden and then
went to the North East field and cultivated there
about 4 bushel Ad saved 2 bushel of the Eastern oats
- 14 Ad saved 8 bushel more of the above oats
- 15 Ad plowed the cultivating of the North East
field this morning and cultivated 4 ridges
in the garden cultivated with the wheel
cultivator in field north of the house and 1 bushel
of spring I planted 10 rows of potatoes from the house
got the seed from Ad McNeil
- 16 Ad plowed the cultivating of the North East
field this morning and cultivated 4 ridges
in the garden cultivated with the wheel
cultivator in field north of the house and 1 bushel
of spring I planted 10 rows of potatoes from the house
got the seed from Ad McNeil
- 17 Mr Ross preached this morning
the woods Ad saved 10 3/4 bushel of wheat North of the
house making 12 1/4 bushel in that field
- 18 Ad saved bushel of the Black oats in
the field North of the house Bruce Clark come
