

June

Monday, 15

(167-199)

1908

It rained quite heavy in the morning we dug a couple of anchor holes by the hog pen Misses Huff and Kelli was here Fred took his first music lesson 1915-16 It was nice I went over and got Mr. Wilson to furrowed plough and tried it

Tuesday, 16

(168-198)

It was a nice day Rob Crowder mowed fence for me I sowed the seed lands of corn I went up to prayer meeting 1919 It was very warm Mr. Robison built the chimney on the house Jim McNeilson helped Ray ploughed with the two furrows plough in the

Wednesday, 17

(169-197)

It was a nice day we picked stone on the other side of the railroad I took a load of stone to Inkerman 1915 It was warm Jim hauled at the corn I cultivated at it Ray hauled George Ford & Fred Taylor brought Ellen out Ellen stayed out
