Take us yesterday to concert in the town so
24 I was not ready but they did not come
till after 7 as they only had the luggage then with
Chalotte & I. I had a short thought that to take
me luggage with me is what would not ride
with them but had the coll. of Peter. I rode with
him & E. & Mrs. Schura drove our luggage. It
was 8.30 when we got there & had to wait so
long for the to get away both horses so we
missed about half but the remaining part was
good. we saw such a lot of folk in the
hall. I sat with E. & Mrs. Schura went up on
Sunday & stayed till after midnight. also
Miss Gray. The place. In the speech
was spent on music. I just wished E.
& Mrs. Schura had been there to assist. The hall
was jammed could hardly get a seat. After
it was over intended to bring Laura back
with us. but there was a letter waiting for her
from home saying she was to be home next
day so had to see "Good bye" in a hurry
