

Ther.

WED. MAR. 30, 1898

Wea.

Sam and Berrie stayed here last night, they went down ^{with} Leggie G. to Mills for dinner, they came up again after dinner, and took the evening train home they took some roses home Jennie and Leggie went home to Toronto too on the evening train

Ther.

THURSDAY 31

Wea.

I rose this morning and made the fire. After we had breakfast William went to help George saw and split wood, I attended to the housework.

I was over to Georges in afternoon for a while Roads had yet
