1913

- Dec 23rd. when the kiddies got a big surprise, as Miss Mrs. B. and Mrs. Moore had provided presents for all the little folks and it was just good to see the way they enjoyed it.
- 24th. Drove to Yalt in the afternoon (with the cutter) and spent the evening at Mr. C. Scott's.
25. A heavy fall of snow came during the night turning to rain in the morning, which made it rather disagreeable for Xmas, but it fair'd about noon and we all enjoyed our Xmas. Went to Uncle Tom Sharpe for Xmas dinner, Uncle Andrews were all there and we had a very pleasant day.
26. Went to Presbyterian Church at night to hear the rendering of a Sacred Cantata by the choir.
29. Accepted an invitation to tea and to spend the evening at Mr & Mrs Mac Creas, when Mr & Mrs Dr. Brown were home from Toronto.
A very stormy day.
