

went for a walk for a few blocks <sup>then</sup> back to the station after a short wait we got on the Continental Ltd. we leave at 8:15 P.M. we expected to stop at the Harvey houses. but our berths were for the wrong train. All tired and sleepy and feeling punk with bad colds.

Dec 13th. in the state of Kansas this morning. first stop Kansas City at 8:30 a.m. stayed one hour cold here but no snow. after leaving here we see nothing only corn

fields. and their hay stacked in the fields. at 12:15 passed a small town called Lebo. went out on observation car but very cold took snaps at Ottawa Jet. and Emporia. at Newton at 2:40 P.M. and at Hutchinson. 4:20 P.M. looks like a fairly large city. arrived at Dodge City at dark. turned our watches back another hour.

Dec 14th. First stop at Las Vegas. n.m. ground covered with snow here. the country is hilly with small evergreen trees scattered
