

it will be a better place for all classes to live. New Year's day has been cold and blustery and we haven't done any thing but the necessary chores and sit around the fire and read. To-night we all went down to Aunt's for tea and spent the evening. All from Hubbs were there as well as Cousin Clara & Phoebe. We spent the evening with music and playing guessing games which we always have a lot of fun at.

Friday January 2<sup>nd</sup>

It has been bitterly cold to-day, below zero with a strong west wind and we have done nothing but a few chores keep the fires going and read. To-night Ench Frank and I went down to a party at Ada's and had a very nice time. We played cards most of the evening. Most of the party were playing bridge but Winnie Lile, Frank a Mr. Moore who is a friend of Zitha's and a cousin of Mrs. Freeman's, and I played money and seven-up, and the phonograph. Then Zitha and Lute Jaint joined us and we danced. Frank & Lile lit out for the Rebeck's parlor in the hall about twelve o'clock. I stayed at Ada's and came home with Ench and Mrs. Jack Martin about one o'clock.

Saturday January 3<sup>rd</sup>

We were very late having breakfast this morning and before we got at it Phil Shaver came after Dad. to go and dose one of his horses, so Dad. was over there till noon. I chored around most of the morning and Frank slept

most of the day as he didn't get home from his horse till about four o'clock this morning. Dad. and I did up the chores early (and we have just milking at night) and we both went down to Aunt's for tea. Quint was there and so were the Miss Stardings so Aunt had quite a birthday party. I left right after tea and went down to meet the seven o'clock car, as Marj. came in on it, so I spent the rest of the evening with her, she had a nice holiday at home.

Sunday January 4<sup>th</sup>

Frank and I went down to Sunday school and church this morning. I stayed down at Aunt's for dinner. This afternoon Marj. and I went over to see Miss McQueen and then went down to Aunt's where we stayed to tea. Aunt Alice Marj. and I went to church to-night. I got home about twelve o'clock and found Frank was not in yet. He was down at the Ward's and got home soon after I did. It has been very cold all day, but very little wind.

Monday January 5<sup>th</sup>

Frank and I went down right after breakfast to get our long looked for stove. It was ordered from Eaton's on the 15<sup>th</sup> of November and just arrived Saturday. We also got Marj's suit case which she checked by Grand Frank and took it up for her, and as we had to get some things up town it was after eleven when we got home, but we went down to the mill for some bran & chicken feed before dinner.
