

October

Monday, 26

(300-66)

1908

It rained pretty much all day. I went down to the station in the morning and back to note in the afternoon. I took the bull in down to the station and sold him Archie and Mr. Canby priced the pipe damage 1919.25. It was nice. He & the children went to Sunday school. I went up to church in the evening. Mr. Cleland

Tuesday, 27

(301-65)

It was quite warm. I ploughed in the forenoon and went down to the station in the afternoon and up to prayer meeting in the evening 1919.21. It was a dull day. I went to Logansport for the window pane. I ploughed 1919.28. It was quite wet & windy. I ploughed in the afternoon.

Wednesday, 28

(302-64)

It was quite foggy in the forenoon. I ploughed some and cultivated over the rail road. I went to John Crowder (see in the afternoon) it began to rain. I started to plough in the corn field 1919.29. It was quite nice. I ploughed in the forenoon with the three horses. He & the children went to Cardinal with Pearl Wallace Ray & I ploughed with two team.
