

Edgar finished planting barley today
I was plowing for corn at lower place
weather very fine & spring like

FRIDAY 10

(130-235)

About home all forenoon
Mr Huston came at noon for his 6
cattle. Edgar & I were ditching along
same lower place until about 2 1/2 pm.

Weather cool in forenoon (North wind)
Commenced to snow about 4 o'clock
which continued until ground
was covered.
