Mr McPhail preached this morning

2 Ad planned for the fall wheat in the forenoon
he helped Bruce in the afternoon to draw in

3 Ad drew dung this forenoon to the North field

4 Ad is working with Bruce helping to draw in

5 rain most of the day Wallace is fixing a stone
to hang a gringstone on Ad is helping

6 Ad is drawing dung to the North field where
he intends to sow fall wheat

7 Philo and me cleaned up the fall wheat
that was in granary we got it through once
when I had to go with Revd Mr Millard to Sand
Bay to attend the meeting of Session Norman Johnston
was welcomed as an Elder and signed to declare

8 Ad took me Sand Bay to the Communion there
was a good meeting Revd Mr Mc Kinzie preached

9 Ad worked at the summer fallow and got it ready
for the seed this ground is in good order

10 Ad got a drill and drilled in $3\frac{1}{2}$ bushel of the old
fall wheat in the North East corner of the North
field the ground is in good time he then went
to Sand Bay and brought home the colts fine day

11 Ad and Wallace cut the cow corn with the Reaper and
Binder and stacked it in the forenoon they went to
Bruce's got circular saw and sawed Wallace's wood in the

12 Ad went to Ganagah to ^{see} the Charley house after
on the cars he sold him to William & sent on the cars
to Pinatungan then he walked stopped to Pava and Ad
stopped at Ganagah to see the Fair he says it is a

13 Ad & Wallace is fixing the granary for the ^{harvest}
and they ^{took} Smith's Reaper to the Station for young
the Warner Boys came this in the afternoon
and thrashed out Wallace's off the Barnyard & part of

14 acres they then thrashed down (they finished about
dark Bruce's Boys & Ad's son
