

May

SUNDAY, 29

1921

Clara & Melville & Joyce also
Mr. & Mrs. Currie motored down this
morning.

The men to Harriston in P.M.
Mrs. & Mrs. Loues here in evening.

Fine and warm.

MONDAY, 30

Finished fence next Watt and
measured it up in forenoon.
The Chatsworth people left for home
about 6 A.M. Very warm morning, thunder storms
I washed sheep in afternoon. Going round
to town. in P.M.
Brock hoed potatoes in garden, after
supper. Jack over at Hods at night.

TUESDAY, 31

Building fence between Watt & us in
forenoon. Working on root ground in
afternoon and cut grass.

Warm in forenoon but got much
cooler towards night.

June

WEDNESDAY, 1

Jack drawing out manure for potatoes.
Brock worked up mangel ground
and sowed mangels.
The boys to town at night.
Beautiful day cool breeze.
