Monday November 7, 1921.

I attended a council meeting. Court of revision on Marden Drain. Reading report on Parley Drain. Mabel delivered on the first Part and Charlie and Roy on the second. The day cleared up about noon and was fine.

Tuesday Nov. 8, 1921.

I delivered mail with the two Gips. Mary Kemp came in off the car while I was home for dinner.

A wet snow fell during the day and it was cold, windy, and disagreeable.

The roads ~~now~~ are getting bad.
