

I went in morning to Mr Fletcher's with subpoena re R. G. commission. Took Dick Newman's jack screw home & returned forenoon. Special meeting of council re River road improvement (report me) after noon — I opened tenders for old Con bridge & instructed Mr Whitbread to have dredge sent to Prairie siding.

Came home & went with Edgarto N Buxton & took train for Chatham at 7:00 P.M. Electric car stranded through bursting of gas main about 3 miles southwest of Chatham. We did not reach Chatham till 9:30 P.M. Irving, Fletcher, & I
