

Wednesday December 6<sup>th</sup>  
 Went down alone after butter milk this morning had to go slow  
 as the boots are shoe yesterday didn't do much this afternoon  
 went down to tea at the Barwells to night and Judith & I went over  
 our parts in the Cantata and then went down to a rehearsal in the Sunday  
 school. Dad plowed all day today & yesterday. Cold wind but sunny

Thursday December 7<sup>th</sup>  
 Dad plowed all day. Eunt and I went down town this morning and I  
 got his shoes set. Frank and I went down to a practice to night  
 in the Sunday school and then I went over to the church after first  
 going up to see letter from Gunt & Ray Dall at Nulip's I didn't get to bed  
 till two o'clock as I was froling around with Joe & the Dunkin girls.

Friday December 8<sup>th</sup>  
 Dad got in good day plow up to day and is now finished all but  
 the head land. Frank and I measured the field this morning &  
 found it had about 6 acres in it. This afternoon I took the baby  
 down to Auntie's to stay all night and then got Mary's kindle wash and  
 brought them over to tea and we all went out to the opening of church

new school house. and had a high time Dick couldn't get over. It  
 has been a lovely day but cloudy at times and rained to night.

Saturday December 9<sup>th</sup>  
 Dad and I had to go out and help move Harvey Shand's piano  
 home from the school house but it was snowing early so we didn't  
 go out very early and then had to wait till Harvey Shand got back  
 from town but we helped the trustee clean up. We didn't get home  
 till the middle of the afternoon. Frozen up tight to night very late.

Sunday December 10<sup>th</sup>  
 I went to Sunday school this morning and to church both times  
 Dick was over all the afternoon as he is in Banfford. I went over  
 to a Sunday school meeting to night and then up to Miss Martin's and  
 then up to the bank. Freezing hard to night but nice day

Monday December 11<sup>th</sup>  
 Fed chares this morning. This afternoon got some stuff at the  
 mill. Sam Thompson got his sheep and showed me how to  
 bleed & dry pick a chicken. Dad went down and rustled some  
 money to buy tax so.
