

Thurs. 12th. Theodore Brarred left this evening to work at Mr. Green's near Cahville. I was picking berries all day & day.

Fri. 13th. Mrs. Shelton was at Barnum's Circus in Toronto on 11th, where she saw jumps. She amused the pickers this afternoon telling them about it. Maggie M. Cauley helps to make our dusses this afternoon. Choir practices in evening at church. I went to Broder's about them nearly all evening home. Then I went a price with Maggie & came back found Max here. He had been to station for crates after driving the down to practice. Mrs. Ingledew & Willie here in afternoon. Willie has a Juvenile Missionary Card on which I subscribed. Sat. 14th. Did the work in the house this morning. Mrs. Ingledew, Edith & Willie, & Mrs. Bray's Add came to pick berries for themselves. I go out & pick with them. Extracting honey later on in afternoon. Maria & Sarah up late finishing
