over to ... with the ... they were both in bed
when he came and didn't wake up all evening. Marj
and I went over and had a very nice time. It was
in the ... church ... it was the first
nocturnal ... we had ever had to go through
it is the first time Marj has been out at night since
the ... I cut another small piece to day

Friday January 16th
It has been thawing all day and snowed most of the day
I did up the chores this morning and then after noon drove
down to get some new feed and rooster. Chopped at Billy's farm
I found Billy's shop full of customers but no Billy and as
Andrew says said he had been waiting for an hour
so I called up Trip Pareys to ask if they had seed
him. They said there was a cemetery board meeting on
so that accounted for his absence. Frank came along
while I was waiting so I got him to help me bag
up what I wanted and then I drove home - up town
and home, we called in at ... on our way. They
are expecting Ray to night. He is on his way to ...
... in Atlantic City and will be here till Sunday

Saturday January 17th
Dad & Leah drove over this morning and left Joe &
their cutter and took Jessen and my cutter as Dad had
arranged to take Miss Grant for a drive this afternoon
We all got bundled up and drove down to Pentep's to see Ray
We found Ray, Junit, Hubby, Wai & David all there when
we arrived but we left the children and drove up town for
a few provisions and Hubby, Wai & David had left when
we got back, but Frank was there. Presently Dad drove
up and then Frank who was with Bob Pickford
and his new old horse left. Dad expected to find Leah
but she wasn't there so he took Joe & his own cutter and
went off to look for her. We left about five. Beautiful day

Sunday January 18th
Marj didn't feel very well to-day and we were late getting
around this morning. She wanted me to go to church but
I couldn't get ready in time. I went over and swept out the
school house and just as I got there Bill Donald & they
first came to put a new elbow in the stove pipe and a new
lock on the back door, so I was over there quite awhile.
I spent most of the afternoon doing chores and washing
dishes. Marj read Jeffery Farnol books all day. Cloudy but not cold.
