into order on account of Philips being about to leave
us, the following figures will show our present position
in the matter. Total indebtedness of the family of
Leeders on the old Barnum account \$1971.00.

H. C. Leeders share \$763.00. Robert P. Leeders share
\$699.00. P. H. Leeders share \$509. Of the amount
H. C. Leeder has paid \$1291.00 or 528.00 above his
share, therefore he has paid on Roberts share \$366.00.

paid there remains \$680.00 yet to pay this divided
between Robert and Philip leaves Robert still indebted
