187 DAYS PAST

Saturday

179 TO COME

The "Finicky" and Fastidious Patient,

as well as the rebellious child who ordinarily resists medication, will readily take **Pepto-Mangan (Gude)** without objection, as it is distinctly pleasant to the taste, always well borne, and entirely free from irritant, corrosive, or constipating properties.

Weather

Temp.

Rained John helped Eugene draw hay. I had bought our nest for Sunday. I went and picked cherries up at Aunt Bells. I went to King Mill for mustard for the cow
