

1887

July 1 Ad plowed through the potatoes Lennie went to Gananaque to see the Dominion Celebration

2 Ad and Lennie & Phila went to Sand Bay this afternoon and took the 2 yearling there and left them there
3 Professor Ferguson preached there this evening

4 Ad went to Delta this morning he took the wheel with him Bruce's Son went with to bring the horse he intends to bring Watts cow here Watt is going to the W to survey Lennie is haying

5 Ad got home this afternoon he brought Watts cow with him Watt intends to go tomorrow Lennie is haying

6 Ad sold the Horry cow to Wm W Cannell for 30 dollars

fine shower
his business
we rized up the mawer this forenoon he mawed the orchard this afternoon Lennie is in the little field

7 Phila raked the orchard Ad mawed the little East of the old Barn ^{and the part of the North field} the boy is drying very fast Lennie is haying in the little field and cocked the boy in the orchard

8 Ad drew in the boy that is in the orchard and that of the little field very drying time Phila raked

9 Phila raked what Ad cut in the North field they had 3 loads put all in the New Barn

10 Professor Ferguson preached this morning

11 Ad began to cut the Field North of the house he cut all day it is light down when the path was very dry

12 Ad fixed a table in the Fair ground for the oranges dinner we are to provide their members & adherents is getting it up they all proved a share

13 they drew in 4 loads of hay this forenoon Phila raked it yesterday Ad went to Wallas to cut his hay in the afternoon very warm day the thermometer is 120 in the sun

and is in the shade

14 Ad is working at Wallas he drew in 2 loads he had to go and place for for the Railroad for the contractor then he had mat came and had a lot of men they are making a sand track down day

15 Ad is mawing at Wallas and plowing for the Road

16 Ad is working at Wallas hay some rain

17 Mr Dods a Student preach here this evening very brain to day and at night
