

1887
August

- 1 Ad doing chores and him ^{Bruce} and went to see it ^{near} ~~work at John Johnsons it is now as it did not work~~
- 2 Ad went out to Dulacmain to look a man to work he got one that is working Mr Ferguson ^{he will come next week}
- 3 Ad went out to help Bruce to stack he has a Reaper and binder it came home at noon & cut some fall wheat it does good work it is Mr London of Fairfax
- 4 they worked all day at the oats in middle & North field they are on the green side they cut the flax at night
- 5 Ad went to look for some cattle to take to the N. West he got some at J. Starks
- 6 Ad and Biron drew in the spring wheat this afternoon it was a little damp in the morning
- 7 Rev Mr. Nickelson preached this morning
- 8 Ad and Biron Mr. Niel drew in nine loads of peas ^{many 3 bush} oats and barley and clear oats I do not have of each
- 9 Ad and Philo drew in one load then his new man ^{Louph} came and they drew 2 loads of oats and one of rakes I raked the wheat and oats ground ^{Prior is the name of the man who hired he came today}
- 10 Ad and Philo & Florrie went to Ganaganer to meet J. Stark with the cow & calf. they went J. Haig and got two calves & Bull & heffer all full bread Durbin
- 11 Ad is getting things ready for the N. West he went to Brackville on the mixed came home on the Express a little rain it is very light
- 12 Bruce is cutting the oats with the Reaper this afternoon he finished them all but an acre the
- 13 Ad and me got the two calves that he got from Mr Haig to speak the Mullie cow and
- 14 Rev Mr. Nickelson preached this evening
- 15 Ad Bruce & Louph drew in 3 loads of oats & peas ^{Louph began work this morning} & barley and 1 load of raking I raked the oats & barley ~~about 100 bush~~ might be loaded up early the morning there five or six helped all that could be done then put in the 3 cows & 3 calves and then 4 hours all by 1 o'clock the train came in about 1 o'clock & took him
