Frost this morning cool breezy day I at Mr. Kees sawing wood until middle of P.M. when Willie came up from mill with chaff also another 24 in culvert pipe and I took load home and he stayed rest of day. We had quite a time with the engine to keep it from running away but got it fixed at last. Sam went down for more gasoline P.M. Willie hauled 2 loads out wood from bush to woodshed A.M. I fixed letter carrier track at switch as it was not working cut more than 1/2 in off short track we clock up A.M. got egg 75¢ 2 1/2 doz. Willie got by about for dinner at 7 & 8 \$2.60. Willie and Belle drove home at night B stayed down paid Nichol for the gasoline Sam got \$1.32 got lantern glass 10 rivets 25¢
