TUES. SEPT. 6, 1898

Wea.

We rose this morning and Lannie went for the cows while I prepared breakfast we got some more apples ready for drying. the boys are away to school. it is raining again this forenoon commenced about 10.30

I did a little at my dress I do not get much time to sew

Ther.

WEDNESDAY 7

Wea.

I rose this morning and prepared the breakfast George and S. A. went to Toronto to the Exhibition we were busy at the apple again today, I just got a little while at my dress, it is cool today after the rain
