

December, 1929.

7 Saturday. Cold and raw.
We butchered here today, one pig for Elmo King and one for August Weber. Elwood McZeay and Clayton Playford brought a radio this afternoon and set it up.

8 Sunday. Fine day. Walter Adler came here for dinner and we drove to church with him. Mr. and Mrs. N. B. Doffer and Howard were here for supper and the boys went to League.

9 Monday. Fair and cold.
Walter went to Elmira this morning and spent the day. Ella did the washing. Vernon's Harney worked in Lewis' bush this afternoon. Noah Miller spent the evening here and we listened in to the C. M. A. Colored Quintette singing from C. F. R. B. Toronto.
