57 DAYS PAST

309 TO COME

Dr. Carlos Cortes, Mexico City, Mexico, says:

"I have used **Pepto-Mangan (Gude)** in a case of Infantile Anemia with most satisfactory results."

May 29, 1907.

A. T. Woods, M.D., Barberton, Ohio, says:

"I received your bottle of **Pepto-Mangan (Gude)**, and gave it to a patient. She reports a great deal of benefit from it. I will continue to prescribe it."

Warm Rained a little this morning. Girls drove to school John went in the afternoon & he got his horse shat & got his milk chegu. I washed but the clothes did not get dry. Mr Lamber's arrived in St Thomas to night & George Allen is going for it he died in a week after he went to Dakota
