

Sept 23rd Left on the 6.40 a.m. train. Drove to the station
Sat. via the phaeton. Had to wait at Orangeville
for 1 1/2 hrs. Saw Jessie Clarke at Courtstown.
Reached Gravenhurst at half past two.
Charlie and Mrs Mickle met us at the
Station.

Sept 24th Mr & Mrs Mickle very kind. Charlie nice
Sund. boy. Bertha & Grace rather spoiled. Home
very nice and grounds large. 25' African -
descent light in the house, 4 spare bed
rooms etc. Gravenhurst rather small
place but pretty country. Churches small
and not very well filled. Mr Mickle very
jolly and splendid company.

Sept 26th Went to Mrs Morry's for tea. They lived
Tues. at one time in Fanelon Falls and knew
Aunt Maggie, Uncle Jim & family. Strange
how you meet people everywhere. It does
make the world seem small. Went to
Miss Annot's millinery preceding afterwards
nothing pretty to be seen.
