

21

Rev. W. Shaw preached this morning

We went to Sells with the milk wagon for a hyphen calf from Sells. Jerry saw Dan split wood in the afternoon we saw cherry & the pint that come out of Sells run into the garden both of the Burnett grapes in the afternoon heavy frost & high wind

X

22 Dan is fixing up the house. He came home this afternoon and brought the calf with him

23 He began to sow Dan cultivated he sowed 4 bush of the White Russian spring wheat he dragged

24 Dan went to a Bee of Humphrey Youngs to plow. He sowed 2 bushel more of the White Russian

25 He sowed 2 bushel of White Russian wheat that we got from Rev. in Toronto on the 4 ridges west of the other 6 bushel and 3 ridges from the west fence they sowed about 4 bushel of Estrilow oats north half of the center field

26 They have sowed 16 bushel of the Estrilow in all the ground is in good time

27 Rev. W. Tygh preached this morning W. Shaw at night

28 They finished the middle field. He noted when the fall wheat was last year and the clover meadow he says that the fall wheat stable is very stiff the clover is very bunched

29 They are cultivating & dragging the field below the house and have sowed 12 bushel of Blue oats that he got from Dan old man to the lower ditch and that the ridges runs E. & W. and 3 ridges that runs North & South next the river they have a clover, Dan is
