

weather fine & warm
men hoeing & cultivating
strawberries

~~June~~
~~May~~ 12 Still spraying
6 tanks more on. seems
to be a fair crop of
cherries. quite a few
plums but Burbanks
look light. and no
pears at all.

~~June~~
~~May~~ 13th. Finished spraying
16 tanks in all. would
take about 20 tanks if a
crop of pears no pears so
only gave them a sprinkle
a light thunder shower
in the afternoon.

~~June~~
~~May~~ 14th. cloudy like
more rain hoeing &
cultivating.

~~June~~
~~May~~ 15th + 16th. hoeing
& cultivating. warm
in day time but cool
nights nearly frost

~~June~~
~~May~~ 17th Sunday fair but
cool east wind. had
supper (picnic) near Ancaster
called on F. McMullans on the
way home.

~~June~~
~~May~~ 18th. started to weed
carrots. poured rain after
dinner and all night.
