NOVEMBER TUESDAY 7 (311-54) 1922

fine warm day but Cloudy I went over to Ossies in the morning and sawed up his pile of wood. we finished up in afternoon and I came home over to Dr Youngs for a while in the evening and down to Mrs Randells the balance of evening and did some writing after I came home

WEDNESDAY 8 (312-53)

Cloudy day I smashed wheeling in the wood. also split up some of the kindling wood worked at it all day. Gerald Mrs Cockrell Ida and Alex here tonight They brought up seven pullets and took back six of our roasters quite tired tonight

NOVEMBER THURSDAY 9 (313-52) 1922

fine but cool around Village in forenoon I split up some kindling wood I got an early dinner and went over to Ossies and helped him to board in the back end of stables under the barn I had my supper there and came home.

FRIDAY 10 (314-51)

fine day Mamie and I killed and dressed some roosters for to send to Kingston in the forenoon I was up to Tommy Grays and over to Dr Young for a while in the afternoon I went down to Ellisville after Nellie in the evening Elsie and Dorothy went with me Nellie here all night
